7th December 2018

**Message from Head teacher:** Children from Foulanesend and Millbrook School will be singing tomorrow at Mount Edgcombe Christmas Fair, at 11am on the main staircase. Just a reminder that they need to be in full school uniform, with their reindeer antlers (given out today) and dropped off by the side door at around 10.30. I will be there with Mrs Illingworth to support the children. At the end of the performance, just after 11am, the children will need collecting from the same door. Many thanks for all your support.

## Whole School Attendance

This week, our whole school attendance is **93.7%**. So far this year, attendance is **96.5%**. Our overall target this year is that we can make it **96%**. Please help us achieve this by working with us. We can give your child Calpol or ibuprofen at school. However, if they really are unwell we will send them home. If you do keep your child at home and then they perk up, PLEASE send them to school, even just for the afternoon - every little bit helps and most importantly it makes a huge difference to your child's progress and education.

## AFTER SCHOOL CLUB AT FOURLANESEND 3:15pm-5:30pm

Please contact the office to book a place for your child. Places **MUST** be booked at least 24hrs in advance.

**Please note there will be no Celebration Assembly next week (14th December) because of the Christmas Fair.**

## Christmas Jumper Day - Friday 14th December

Raising money for Save the Children, the children can wear a Christmas jumper to school on this day for a donation, instead of a school jumper. However, other school uniform (trousers, skirts etc), must be worn.

## FoFLES Christmas Fair - Friday 14th December

Please see poster on reverse of newsletter for details about the raffle. Also, any donations of cakes and biscuits for the refreshment stall would be greatly appreciated. These can be dropped off anytime next week.

## Clubs

All sports clubs have now finished for this term. Clubs will recommence the second week back after Christmas. A letter informing you about clubs will be sent home during the first week of term.

## Head Lice

There is a head lice issue again in school. Please can we ask that all parents/carers do a head lice check this weekend and treat if necessary, to stop the spread of head lice. If we notice your child has a persistent problem with head lice, as part of our duty of care we will approach you in confidence to support you in resolving the issue.

## Class News

**Class Lynher** - We had a mock trial about 'do we need rules?' which was an interesting debate! We have finished our pouches and evaluated our work. We also had our last dance workshop showing everyone what we have been working on. By Olive & Ben

**Class Tamar** - We did our science presentations about sound and how we hear sound. We also did the mock trial with Lynher about rules and do we need them. We have also been practising for our performance next week. By Talie & Fenn

**Class Cremyll** - This week we have been working very hard to perfect our nativity performance. We have also written up the results from our raft experiment, looking at what makes a fair test and how we could improve them next time. It was our final dance session this week which was space themed and saw us shooting around the galaxy like meteors! By Morgan & Amelia

**Class Plym** - This week we have been busy practising our nativity and look forward to performing it to you next week. We have been learning about 3D shapes and writing descriptions of our snowmen using adjectives. By Toby & Joe
