30th April 2021

**Message from Head teacher:** It is part of life that not everyone gets on with everyone else. However, please can you make sure that any grievances you may have against anyone else do not come into school with the children. It greatly concerns us when children come to school and tell us they cannot speak to another child. Please remember to keep socially distanced when dropping off and collecting your children from school. Please can you also not enter the playground until your allotted timeslot unless you are told to do so by a member of staff. Have a lovely Bank Holiday weekend, fingers crossed the weather forecast is wrong.

## Come and join in with our Fourlanesend garden project

We meet every other Saturday: next meet on Saturday 8th May 2-4.30pm.

We are bringing back to life the polytunnel and raised beds area and hoping to produce lots of great fruit and veg for all to share. Using a wide variety of permaculture methods and sharing knowledge we can help each other grow healthy, organic fruit and veg. Jobs that need doing are fixing fences, installing water collection, composting raised beds, planting out seedlings. We will also be reintroducing hedgehogs with a wildlife camera to track their progress. If anyone can help with the following needs, we are looking for: watering cans, wheelbarrow, straw bales and manure.  
ALL WELCOME!

## Sports & Nature Day - Wednesday 5th May

Children to bring in money donation for Miss Newton (supply teacher) who has sadly suffered life-changing injuries in a mountain biking accident. Children can wear sports clothes to school and class Lynher will be going on a woodland walk in the local area so long trousers are recommended. Please remember water bottles!

## Class News

**Class Lynher** - We learnt the song Old Macdonald Had A Farm in French! We enjoyed playing different instruments in music - tuned and un-tuned. Today we are learning about forces and the difference between mass and weight.  
By Lauren

**Class Tamar** - We have been learning about the different rivers and seas around the UK. We are going to be learning a song to sing in an ensemble so to start practising we sang the Cookie Jar song in unison on the field. We also played bucketball in PE. By Neve & Rose

**Class Cremyll** - In PE we were inspired by The Three Little Pigs to find different ways to travel and then we put 3 different types of travel together in a sequence. In music we are learning the song Wolfie Blues which is linked to the story Little Red Riding Hood. By Mostyn & Joey

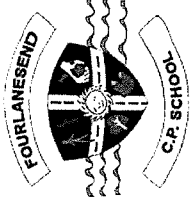

**Class Plym** - This week we have been counting in 10s and learning a song about Little Red Riding Hood. We have been negotiating space in PE as well as travelling in different ways. We have also been discussing what jobs we would like to do when we are older. By James & Amos
