28th May 2021

Message from Head teacher: I'm delighted to tell you that we have appointed a Y2 teacher and SENDCo to join us in September. She is called Heli Bryant (Miss). She is an experienced teacher and has significant SENDCo experience as she is currently head of a specialist support centre which is part of a school in Hampshire. Hopefully she will be able to join us for some transition days. If you have a Y1 child, they will remember Miss Bryant as she was the teacher who taught them the lesson with the food pictures and target boards which they put the words on to describe their pictures. Have a restful half term.

Dates For Your Diary

Fri 28th May - Last day before half term.

Mon 31st May - Fri 4th Jun - Half term.

Mon 7th Jun - Back to school.

Tues 8th Jun - Tide Education Workshop for Class Lynher @ Cremyll.

Weds 9th Jun - Vision Screening for Reception.

Weds 21st Jul - Last day of term.

Thurs 22nd & Fri 23rd Jul - Inset days.

Mon 6th Sept - Inset day.

Tues 7th Sept - Back to school.

Message from Citizens Advice which is now available in Torpoint

Citizens advice is a free, independent and confidential service for everyone. We cover everything from benefits, debt, housing and employment to discrimination, relationship breakdown and consumer problems. To make an appointment to see an adviser online at our Torpoint Library Hub text ADVICE DIGITAL to 78866 and we'll call you back within 48hrs (excluding weekends) or ask staff at Torpoint Library. No experience with computers needed.

Uniform for September

If you would like to order school jumpers/cardigans in preparation for September, please let the office know asap.

BREAKFAST & AFTER SCHOOL CLUB AT FOURLANESEND 7.45am-8.45am 3:15pm-5:30pm

For more information and to book a place for your child, please contact the office.
Places **MUST** be booked at least 24hrs in advance.

Film Screening in aid of Cornwall Climate Care

Special Bank Holiday screening of 'Under the Surface' at Kingsand Community Hall, 7pm on Monday May 31st. This stunning and inspiring 30-minute film, shot largely in and under the water around the Rame Peninsula, shows how climate change is already affecting Cornwall - and local solutions to tackle it. Followed by live Q&A with the filmmakers.
Tickets £10 from Kingsand Spar or Eventbrite. All proceeds to the charity Cornwall Climate Care to help make more films in the series. Suitable for children aged 8+.

Fourlanesend Garden Project Update

The next workday will be on Saturday 5th June, 2-4pm. All welcome. Please bring any seedlings or plants you would like to add. Using permaculture methods instilling in adults and children simple methods of growing organic, nutrient rich food. The garden already has nutrient rich soil shown by the fact that the globe artichokes are already flowering.
So far, the fence has been mended and the water butt behind the shed is full to water the veg beds. A variety of vegetables have been planted, and the polytunnel water system is now in place. We are hoping to reintroduce hedgehogs in the next 2-3 weeks if any children are interested in helping to make a hedgehog hotel. There will be signage and funding to buy a wildlife camera.

Class News

Class Lynher - In music we learnt that the ending of a piece of music is called a coda. We finished our bee-bot adventure maps in DT and played a bucketball tournament in PE. In English, we have started to write our own adventure stories based on our class book, The Family from One End Street. By Lauren & Brodie

Class Tamar - We have enjoyed carrying out a soil experiment and are analysing the type of soil we think it is. We played a bucketball tournament and have written descriptive sentences about the setting of our class book, The Flower. We also made a conversation between two characters in computing using the programme Scratch. By Erin & Matilda

Class Cremyll - We really enjoyed investigating different types of mechanisms like sliders and levers. We chose our favourite fairy tale and made a moving picture for it. In PE, we were inspired by The Enormous Turnip and became the wheelbarrows! This morning was great fun with Molly, the artist! By Max & Eben

Class Plym - Yr 1 took part in an art workshop at Maker. We used magnifying glasses to explore flowers in the area and then we drew them. In PE we used a timer and we had to count how many jumps we could do within that time. By Kira & Bobby

Message from Music Teacher Jo Ballard

Expression of interest - I am hoping to run a strings (cello, violin, guitar) ensemble group at Kingsand Community Hall from June. Please get in touch if interested on 07432640162. I will be running music days summer school in the holidays. Ring for more info or to let me know if you are interested in this too. It's been a pleasure to teach your children, well done all!

Welcome to the May 2021 Scomis Online Safety Newsletter for Parents

Online Safety Bill Announced

Outlining what are described as 'landmark laws' to protect children and young people online, the government has released its

draft **Online Safety Bill**, establishing a new regulatory framework to tackle harmful content online.

The draft Bill includes changes to put an end to harmful practices, while ushering in a new era of accountability and protections for democratic debate, including:

- Further provisions to tackle prolific online scams
- Social media sites, website, apps and other services hosting user-generated content or allowing people to talk to others must remove and limit the spread of illegal and harmful content
- Ofcom will be given the power to fine companies failing in a **new duty of care** up to £18 million

Read the draft Bill in detail [here](#)

Actively involved in the arguments for this draft Bill, Parent Zone's responses and recommendations to the **Online Harms White Paper** (July 2019) and the government's review in December 2020 can be read [here](#)

Need Help?

Visit [Childnet's website](#) to find out what to do if your child comes to you and needs help:

- Remember 'Communication is essential'
- Save the evidence wherever possible
- Evidence may include screen shots
- Knowing who to report to is a really useful step to resolve many issues
- [Find out how to make a report](#)
- Familiarise yourself with the reporting services available
[CEOP](#); [INTERNET WATCH FOUNDATION](#); [CHILDLINE](#); [OFCOM](#); [TRUE VISION](#)
- Remember it may be necessary to inform your child's school too. (**Designated Safeguarding Lead**)

Set up parental controls!

The [UK Safer Internet Centre](#) has provided video tutorials for parents and carers to help you find out how to prevent age inappropriate content being accessed online on computers in your home. [BT](#); [SKY](#); [TALKTALK](#); [VIRGIN MEDIA](#)

HELP IN THE HOLIDAYS! Remember **FREE** advice is just a phone call away from the O2 and NSPCC helpline **0808 800 002** and Childline **0800 1111**

UK Council for Safer Internet Council - Digital Passport

What the tool offers:

- Help to empower the child's digital life in a positive and supportive way
- Support agreements about internet access and use of devices between carers and children
- Help to make the most of what technology offers

How does it work?

The Digital Passport can be used as a way of discussing views, feelings and experiences around a child's digital life

Provides children in care with a way of opening up a conversation about how they can be best supported

[Digital Passport for children and young people](#)

Have you heard of Whisper?

Recommended Age 17+

Whisper is a social 'confessional' app that allows users to post whatever's on their mind, which is then paired with an image.

The app encourages private communications in which users can exchange images and personal information. The location sharing feature in this app helps users connect with other users nearby.

The iOS app requires users to confirm they're at least 17 years old before they download the app.

Common Sense Media's view -

It is absolutely not an app for children!

Find out more about this App at:

- [Commonsense Media](#)
- [Smart Social](#)

Disney+ Parental Controls and Privacy Settings

As Disney+ adds more mature content to the streaming site with Disney+ Star, [SWGfL's blog](#) looks at the privacy settings and parental controls available.

Read the blog in detail to find out more about:

- Restricting Mature Content
- Filtering content for the family
- Adding Child Profiles

If you or your child need further support, visit the SWGfL's support pages on [Report Harmful Content](#) to find more bespoke Advice.
