21st May 2021

Message from Head teacher: Just one week left of this half term although it certainly feels more like winter than summer, it seems really odd at this time of year asking you to make sure your child brings a coat, it really should be sun cream and hats! I'm hoping I've done my last class assemblies today. From next week we will be in the hall again in key stages. Please see the information on bubbles below. It is great for the children to be able to mix again even if this is limited to a key stage.

Dates For Your Diary

Fri 28th May - Last day before half term.

Mon 31st May - Fri 4th Jun - Half term.

Mon 7th Jun - Back to school.

Weds 9th Jun - Vision Screening for Reception.

Weds 21st Jul - Last day of term.

Thurs 22nd & Fri 23rd Jul - Inset days.

Mon 6th Sept - Inset day.

Change of School Dinner Menu - Friday 28th May

Steak Pasty/Cheese & Onion Pasty

~

Scone with Jam & Cream or Fruit/Yoghurt

(Jacket Potatoes and School Packed Lunch also available).

Message from Torpoint Library

Torpoint Library and Community Hub is now open from 9.30am till 4pm every week day. We have lovely children's areas both indoors and outdoors and a café serving various drinks and snacks. If you don't have an account, don't worry! We can join you up on the spot and you can borrow up to 18 books! We look forward to seeing you soon.

Key Stage Bubble Mixing

We have made the decision to begin to mix our key stages. This means that from today we have mixed class Plym and Cremyll at lunchtime and playtime and classes Tamar and Lynher. The children were thrilled to be able to mix in the play ground and hall again. We will continue to keep key stage one and key stage 2 as separate bubbles. The new bubbles help support our transition arrangements. Poor Y1 children have been split between two classes all year, so it was lovely to have them mixing again in the playground.

Class News

Class Lynher - We have started our new book called The Family from One End Street. We played benchball and basketball in PE and are making adventure maps for the bee-bots. Yesterday we used fans to see which of our junk model boats was the most streamline shape and moved the quickest. By Lilah & Giorgia

Class Tamar - We have been classifying rocks according to their properties. We finished our pneumatic volcanoes by decorating them to make them look realistic. In geography, we have been thinking about what can change a town or city - specifically immigration. We have also been making emotion maps. By Aimee-Grace & Rose

Class Cremyll - In PE, we were inspired by Goldilocks and the Three Bears to create sequences to show the story - we learnt how to do a dish roll. In our science we created collage pictures of plants and then labelled each of the plant parts. We're really excited because we are getting ready to write a sequel to the Little Evie Story. By Jess & Ebre

Class Plym - We have been creating our own characters and settings to write our own stories. We have been observing our plants and seeing how much they have grown. We have been mixing paints colours and painted some lovely plant pictures. By Hannah

Teaching Assistant Vacancy

Our TA vacancy is advertised on both the school website and the Cornwall Council website. Application forms can be downloaded from either site. Closing date is Thursday 27th May.

Cornwall's What's On for Families

The May/June digital issue of BlackbirdPie What's On in Cornwall magazine is out now and there is SO much more to do, indoors and out! From theatre to indoor play centres, gorgeous galleries & fascinating museums, free events & special offers, and new skills to learn like sailing, archery, coastering & circus craft. Available to download at <https://bit.ly/3eJatxl>
