10th May 2019

Message from Head teacher: Wishing everyone a restful weekend. We have SATs next week so I have my shopping list for Y6 of all their favourite biscuits and fruit. As always we have kept it as low key as possible and I'm really proud of everyone's positive attitude towards them. The end of the week will be lots of fun, with the bake off. This time we have arranged that every class will bake entries so that everyone has a chance of winning.

We also have a large tree that has blown over and uprooted. If anybody would like any wood, you are more than welcome to arrange with Mrs Norton to come up and chop some wood for your own use.

Class News

Class Lynher - Year 6 have been working hard towards their SATS next week. We have been exploring different ways we can express ourselves and yesterday we played dodgeball and did a Joe Wicks exercise routine. By Leia & Eva

Class Tamar - We have finished Christophe's Story and written reviews and blurbs about the book. In PE we did some sprinting in preparation for Sports Day. In Science we have been learning about animal habitats as well as what invertebrates are. By Oscar, Taylor & Megan

Class Cremyll - We talked about 'worry', what it means and the importance of sharing and talking about our own worries and created 'worry monsters' to help with this. We designed Viking shields after learning about their shape and purpose. By Dylan & Lily

Class Plym - This week we have been exploring the different ways in which we can travel. We learnt about famous inventors called George Stephenson and the Wright Brothers. We found out what they invented and looked at old photos and videos of the steam train and first aeroplane. We interviewed the Wright Brothers and the eye witnesses of the first ever flight and became journalists making our newspaper reports. In gymnastics we have continued to move and balance like different animals. By Maisie & Millie

Festival - Friday 19th July

We are planning a festival on Friday 19th July at 1:30pm. Some of our initial thoughts are:

- FOFLES refreshments
- Parent bands/performances
- Hair braiding
- Nail bar
- Face paints
- Stalls & fairground games (parent led) - splat the rat, coconut shy etc
- Fairy garden area.

Can you help with any of these? All other ideas are also greatly appreciated. Thank you.
