**Message from Head teacher:** Over half way through the first half term already! Please see our dates for your diary for parents evening straight after half term. The focus of this will be how your child has settled in to their new class. As always, we ensure we catch up with all parents and carers and this is very important. A reminder of our zig-zags, it is illegal to park/pick up and drop off on these, whatever the weather. If you are photographed on these and we get your registration plate this will be passed on to the police.

### Chartwells School Dinner Menu - Census Day Thursday 3rd October

Hot Dog/Quorn Hot Dog with Wedges and Beans

~  
Chocolate Ice Cream or Fruit/Yoghurt  
(Jacket Potatoes also available).

### School Dinners

**KS1 Free hot dinners!** If your child is in Class Plym or Class Cremyll they are entitled to a FREE school meal every day! Our chef can meet with you to discuss any dietary requirements. Our school meals are cooked to a very high standard, there is a lot of choice and the food is fresh. Please look at the menu which is on our website. Unlike other schools, you can choose if you are having a school dinner on a daily basis. We do find that children sat together are more likely to try new food.

**KS2 special offer - 5 dinners for the price of 4.** Also have a look at our improved choice for KS2 which includes wraps, burritos, pasta and rice pots. There is the option of having a hot roast bap instead of a roast dinner. The portion sizes are good and there is always the option of seconds.

### Free Local Fun Palace

### Class News

**Class Lynher** - We finished our non-chronological reports about Hexapods. We have played tag rugby and enjoyed playing a game called 'rob the bank'. We have started to make a marble run in DT using cardboard tubes and in RE we are learning how Christian religion came to Britain. By Harrison & Kacie

**Class Tamar** - In gymnastics we have been practising landing safely. In English, we have been reading the blurb of a book and using this to make a freeze frame for the front cover. We have also been practising how to say hello, goodnight and other greetings in French. By Jasmine, Coa & Fenn

**Class Cremyll** - In science we all planted broad bean seeds and garlic bulbs and then wrote instructions using bossy words! We looked at the key features of a poster and then had a go at designing our own sun safety posters. In Jigsaw we looked at being responsible and how this can help our learning in school. By Oscar

**Class Plym** - This week we have been learning sounds g, o & i. We have made a list of ways to not be bored for 'The Rabbit Problem' book. We have learnt one more and one less using songs and dinosaurs to help us. By Bobby & William

### Lost Property

Lilah has lost a named cardigan in school. There are several other children who also can't find named items of uniform. Please check at home to make sure you haven't picked up the wrong clothing by mistake.

### Aldi Kit for Schools Stickers

We are collecting the Aldi Kit for Schools Stickers. If you shop in Aldi, please send in your stickers for our chance to win a school sports kit and also a cash prize of £20000! The collection box is in the office and we need 300 stickers so please ask any friends/relatives who shop in Aldi for them as well. Thank you.

### Annual Consent Forms

Thank you to everyone who has returned the annual consent forms sent home in the first week of term. If you haven't sent them back to school yet, please do so ASAP so we can update the required information. **Also a reminder to Class Lynher to return the consent slips for their Relationship & Sex Education lessons.**
