**Message from Head teacher:** I can't thank you enough for all your support this week, without it we wouldn't have achieved what we have. The children have done us all proud, the press coverage has been significant (please see school website). ### Red Nose Day 2019

We have been overwhelmed by the media  
response to our campaign. There has been  
coverage on BBC Radio 5 Live, Radio 4,  
Radio 2 and Radio Cornwall, along with a few  
others. We appeared on BBC Spotlight and  
Newsround as well as being the most read  
article on the BBC News website! The  
newspaper and social media coverage has  
also been extensive. You can find links to the  
media coverage on the home page of our  
school website, along with the film by Piers  
Taylor. We have had feedback from Jane  
Black & Tim Osborne at Cornwall Council  
praising the school for everything we have  
done and how brilliant the children have been.  
The school has received numerous emails  
from other schools and members of the public  
from all over the country supporting the  
initiative and complimenting the children's  
creative red noses! It has also been lovely to  
have feedback from parents to say how much  
they enjoyed making the sustainable red  
noses together. We are extremely proud of all  
the children and excited that a Cornish school  
has spearheaded this. Well done!

### Shoe Boxes for Class Lynher

Please could we have shoe boxes for a  
Geography project in class Lynher. They can  
be handed in to the office.

### Mufti Day - Friday 22nd March

items for the Project 500 Bingo. We are hoping  
to create Easter themed hampers so think all  
things Easter!

### Project 500 Bingo - Friday 29th March

to convert the air raid shelter into a music  
room. Everyone is welcome and refreshments  
will be available. Any donations of cakes/

### Class News

**Class Lynher** - In music we have been  
learning different notes using the yoga  
drums. Piers came in on Monday to film  
our Red Nose Day film. We performed the  
red nose wake and shake dance as part of  
the film. The BBC came in on Wednesday  
and filmed us taking part in a catwalk to  
show off our sustainable red noses! We've  
also had our photo taken by South West  
News today to further promote our stance  
on reducing plastic. It has been an exciting  
week! By Alissa & Jan

**Class Tamar** - We have been learning how  
Comic Relief helped the artist, Farhad. We  
have been looking at Turner's artwork and  
created our own stormy scene pictures in  
the style of Turner. We have had so much  
fun filming about us not wearing the Comic  
Relief red noses and what we are doing  
instead. We have been filmed doing  
dances, catwalks and various interviews.  
By Lara, Coa & Lilah

**Class Cremyll** - As part of learning about  
what Comic Relief does, we found out  
about a young boy called Farhad and his  
dangerous journey from his home in Iran to  
the refugee camp in Syria. He is an  
amazing artist and Comic Relief gave him  
new materials to use! We have also  
enjoyed helping to make the films about  
our creative red noses. By Ruby-Skye &  
Amelia

**Class Plym** - We had an exciting week  
having BBC Spotlight in to film our  
alternative red noses and red nose wake  
and shake. We have been designing our  
own red noses and learning about what  
Comic Relief does. We learnt why  
single-use plastics are bad for the  
environment and what we can do to help.  
By Mollie & Riley
