7th June 2019

Message from Head teacher: Welcome back everyone to the last half term of the academic year. It really is very busy at this time of year. Please keep your newsletter to hand for dates and information of what is happening. The school council have planned a Superhero Day for Thursday 20th June. They are asking everyone to dress as a superhero for the day in return for a donation. Please DO NOT go out and buy a costume, the best costumes are always the homemade ones. Be creative and design your own superhero, just think mask and a cape and have fun.

Class Tamar - We have been learning about electricity and built our own circuits. We have been playing tennis and practising our control of the ball. We have also been discussing stereotypes. By Taylor & Josie

Class Cremyll - We have played around with homophones and had great fun playing rounders. We learnt a new story called 'The Deer and the Crow', which Hindus tell children to help them learn about friendship. We also designed our own aliens and their habitats. By Isla Pearl & Neve

Class Plym - This week, we have been learning about days of the week and months of the year. We learnt about friendship through the story 'The Deer and the Crow'. We used this story to practise our wonderful role play. Also this week, we have been practising our catching and throwing skills on the field. By Imogen & Toby
