Message from Head teacher: Good luck to our football team who play their first match this season 'away' at Antony on Monday. We are thrilled to have so many singers for the Mount Edgcumbe Christmas fair and delighted again to welcome Sue Westwell in to train the choir on Wednesday. Finally, a huge thank you to Ben's grandmother who donated the giant Little Miss Magic gingerbread which we are raffling off today -it was lovely of her to think of us and the money raised will go towards the quiet outdoor reading area.

Whole School Attendance

This week, our whole school attendance is **97.9%**. So far this year, attendance is **96.8%**. Our overall target this year is that we can make it **96%**. Please help us achieve this by working with us. We can give your child Calpol or ibuprofen at school. However, if they really are unwell we will send them home. If you do keep your child at home and then they perk up, PLEASE send them to school, even just for the afternoon - every little bit helps and most importantly it makes a huge difference to your child's progress and education.

School Dolls House

We have a very well loved and played with dolls house that was refurbished beautifully by a parent. It is now in need of some handy work and we would be grateful for a volunteer that could help us with this. Thank you.

School Council News

We raised a fantastic £130 for Children in Need by organising a Bring and Buy sale. We really enjoyed it, and everyone got something. We collected feedback in assembly and everyone agreed that they wanted to do it again. By Lottie & Olive

Free Swimming Passes

We have some free adult and junior 3 day swim passes left which can be used at either Saltash or Liskeard Leisure Centre. If you would be interested in a pass, please give your name in to the office with how many passes you would need by the end of next week. Depending on interest, we will then pull names out of a hat.

Class News

Class Lynher - On Monday, we worked with Class Tamar and enjoyed an afternoon of different sports such as football, rugby, rounders and interval training. We've also had another dance workshop and practised lifts, working in groups and pairs. For Road Safety Awareness Week we made film adverts on how to stay safe whilst crossing the road and how to be safe around roads in general. By Jack & Kacie

Class Tamar - This week we have started to look at the Roman invasion of Britain. We wrote some more complex algorithms in computing creating multisided regular polygons. We worked with Class Lynher creating posters and a film promoting how to be safe on/near roads and in the car. We understood that these rules are to save lives, and that its important to follow them to keep ourselves and everyone safe.

Class Cremyll - We learnt all about the explorer Antony Jinman, who comes from Plymouth! We then designed a raft to help him travel across an icy river channel in the Antarctic. We have been finishing our Caligrams (poems written in the outline or inside the subject of the poem) and also writing number stories, combining both English and maths. By Dylan

Class Plym - This week we have been exploring the Antarctic with Captain Scott. We looked at the freezing polar habitat and compared it to our local habitat. In maths, we have been finding shapes in our classroom and the school playground. By Aidan & Marcus

Mufti Day - Friday 30th November

We will be collecting items for the FAST Bingo and Christmas Fair hampers. Please do not send in out of date food, or food that will be out of date by the Bingo/Christmas Fair. This is useless to us and can not be used in the hampers.
