Message from Head teacher: It's been fantastic to be back in school with all the children. Thank you so much for all the work you have been doing at home. Because of this we are not going to ask for any homework this term, we just ask that your child reads 5 times a week with you. As part of our Easter Celebrations we will be making bonnets etc. in school this year. We will also have our egg hunt and each class will do a small 'turn' that we film and post on Googleclassroom for you all to see. Just a reminder, no toys or keyrings to be brought in please. Finally, a huge thank you to Ines and Liz for all the work they have done for FoFLES over the years.

School Dinners and Menu

School dinners for KS2 cost £2.34 per day or £9.36 if your child has a dinner every day of the week (5 for the price of 4). Please pay for dinners using ParentPay. We currently have 17 accounts in debt for dinner money. If you have any problems using ParentPay, please talk to the office. **The menu for next week is on the reverse of this newsletter.**

FoFLES - Message from Ines & Liz

Hello everybody, Liz and I will be stepping down from FoFLES very soon (Chair and Treasurer) as our boys are off to big school! We have a healthy balance in our account despite there being little fundraising action this year (just over £4000). We wanted to give anyone new a chance to make the transition before we disappear. I will bring the folder up to the school to live in the school office as there is the charity info and paperwork to pass on. Happy to chat about what's involved to any new blood!

BREAKFAST & AFTER SCHOOL CLUB AT

FOURLANESEND

7.45am-8.45am

3:15pm-5:30pm

For more information and to book a place for your child, please contact the office.

Places **MUST** be booked at least 24hrs in advance.

Remote learning packs - Please can you return all the remote learning you have completed since January to school next week.

If you had a laptop for remote learning, please can you return it to school ASAP.

School Council - Comic Relief

Next Friday is Comic Relief Day. The school council are asking that all children come dressed in red, or mufti with a red accessory in return for a donation. The Comic Relief theme this year is Super Heroes and you are welcome to come dressed as one if you'd like. All the children will be doing fun activities in each class and learning about how the money raised is used.

Comic Relief Fundraising

It has been lovely seeing the photos of the children's fundraising for Comic Relief. So far, we have raised an incredible total of £979.20!

Year 1 Hearing Screening - Thursday 18th March.

If you have a child in year 1 and you do not want them to have their hearing tested, you must let us know before this date.

Class News

Class Lynher - In art, we have made a surprise using powder paints! We have designed our own shoes that have a particular purpose and written instructions for how to make them. We made our own obstacle courses for PE which was fun and also designed our own monsters and had to label them in French. By Helena & Lara

Class Tamar - We played the games Ice & Fire and Fishy Fishy on the field for PE and enjoyed the sunshine. In Geography, the school received a letter from an alien planet informing us they were planning on flattening the area to build an intergalactic superstore. We made videos giving our arguments against this, using both physical and human geography. We have started our own gratitude journals and each day we have been writing what we are grateful for and what we are looking forward to. By Jasmine, Theo and Casey-Jo

Class Cremyll - We have been collecting data and created a bar chart. We started our new book called Beegu and in PE we morphed into different things. By Maya, Tara & Eva

Class Plym - We have been settling back into the classroom and exploring outside. We started our new book called Beegu who we think is an alien from space. We have been looking at old and new toys and also written speech bubbles about how much the stick insects have changed from the first lockdown. By Finlee & Molly
