Message from Head teacher: A huge thank you to you all for supporting Sports Day and following the restrictions with goodwill. It was great to be able to share something with you all again finally. The school kitchen is finally going to be refurbished. When I was first Head here 12 years ago I was told our kitchen was top of the county list, so it has been a long wait. It will take the full 6 weeks summer holiday and you will see scaffolding etc beginning to go up soon. Emma our cook is very excited about it, as are we.

Message from The Peninsula Trust

There is plenty of local support available for residents of Millbrook & Maker with Rame. We have been supporting residents over the last year with a range of needs. This includes helping with access to food, emergency grants for electric, debt & money management advice, counselling, advocacy and a range of grants. We refer to a range of support agencies, help with form filling, signing up to the housing register and have benefits advisors available. If we cannot help directly we will try our best to find someone that can.

Further information about the services offered can be found on the school website under the tab 'Community Information'.
