16th July 2021

**Message from Head teacher:** Reports are out today, please note unless there have been any issues we have made no mention of Covid in them. Only 3 days left, please can you all work with us to keep everyone as safe as possible. All the staff team are using lateral flow tests at least twice a week and additional precautions are being taken in school. It would really help if you could do the same. If anyone in your household/bubble has a positive test, please contact the school immediately or out of hours call me on 07973924674. Thank you all for your cooperation throughout the year, it has been greatly appreciated.

## Class News

**Class Lynher** - We wrote letters from a circus freak writing to his father explaining how he wanted to change his life. We glazed our clay models and enjoyed burying our time capsule in the Cornish hedge at Colliford Lake. We are going to play dodgeball and rounders this afternoon. By Mia, Joe & Corin

**Class Tamar** - Inspired by the artist Wassily Kandinsky we have been making some abstract pictures. We also made firework pictures from our book 'The Firework Maker's Daughter'. We played cricket in PE and also did some target practice. We have composed pieces of music creating the sounds as if we are travelling up a mountain which is a scene from our book. By Neve, Lily, Poppy & Theo

**Class Cremyll** - This week we learnt about an artist called Rousseau and it inspired us to paint some colourful landscapes. Then we followed the style of Jean Metzinger who painted mosaics to create mosaics of the wild flowers on the school field. We also enjoyed programming the Beebots to complete the adventure trails that Class Lynher had made. By Rosie & Imogen

**Class Plym** - We really enjoyed archery in PE! We have made our own clocks using plates, pens and split pins and used them to tell 'o'clock' times. Year 1 enjoyed their art colour workshop at Maker and we have played parachute games. We also enjoyed our transition afternoon. By Alfie.A & Jock

## PE kit for next term

After much discussion we are going to keep the PE kit arrangements as they are for the time being as we do not know what the situation will be in September when we return.
