

Nursery News 12

March 11th 2019

Last week in Nursery...

We had a great time sharing our favourite books and dressing up as book characters. Thank you for your help with sending in books and getting the children dressed up so well. We also read lots of rhyming books, listened out for rhyme and found pairs of rhyming objects.

This week and next week...

We will be reading Jack and the Beanstalk. We will be planting bean seeds and looking out for changes as they grow. In a few weeks we will send them home to continue growing. We will be doing lots of comparing height and counting activities with jelly beans.

Bumblebees Class: if your child brought in a book last week but there wasn't time to share it you are welcome to bring it in again – sorry we ran out of time last week.

Help please!

If your child brings a piece of equipment home from nursery please don't worry but quietly return it to us – we are missing quite a few small parts of things which make up sets, e.g., puzzles, and we know children sometimes like to gather things up and pop them in their pockets!

Dates to note:

Friday 15th March: Red Nose Day

The children may come to nursery wearing their own clothes and bring their red noses, if they have one. Please write your child's name or initials inside the red nose so your child doesn't lose it – thank you!

On the letter to the whole school (on the website) the school council have asked children to write their own jokes – don't worry, we aren't expecting nursery to do this!

Donations Please:

We would really appreciate donations of **shredded wheat, bars of chocolate (for melting) and chocolate mini eggs** – we are hoping to do some Easter cooking in a few weeks' time – thank you.

Home Learning

This week you could:

- Find pairs of things at home which rhyme, e.g., sock and clock. It would be great if you could take a photograph and upload it onto Tapestry for us to see.
