Last week in Nursery...

We read "Threadbear" by Mick Inkpen about a teddy who starts off sad because his squeaker doesn't work but goes on an adventure and finds that his squeaker is working again! We did lots of activities involving buttons as Threadbear has a button instead of one of his eyes. We investigated the Beebots and worked out how to control them by pressing different arrow buttons. We sorted toys into those which we play with indoors and those which go outdoors. We investigated toys which make sounds and our number activities involved the number 5.

This week in Nursery...

We have started Christmas!! We have been reading the Christmas story and been making cards, calendars and lots of different decorations. Ladybirds' role play is a stable and Bumblebees is Santa's grotto. We have been using our advent calendar to do lots of counting and number recognition. We have also been practising our songs ready to sing to you next week.
