

Nursery News

Newsletter 2: October 3rd 2018

Last Week in Nursery...

As part of our "All about me" topic, we read lots of different stories about Maisy Mouse and thought about how our experiences were similar or different to hers. These included going to nursery, going on holiday and going camping. We did some craft and maths activities around these themes and lots of speaking and listening.

The children are continuing to settle in, getting to know their key person and the other children in the class and also getting used to their new routine. Please don't worry if your child gets upset on being separated from you in the morning – some children do find separation unsettling at first but it usually becomes much easier when they get used to the setting and routine. Our staff are very experienced at helping the children to settle. It usually helps if you say a quick goodbye and then leave straight afterwards. Thank you for your help with this.

This Week in Nursery...

We have been reading Topsy and Tim stories about starting school, going to the zoo, visiting granny and grandpa and going to London. We have been doing some activities from the stories including making sandwiches, planting bulbs and recognising and sorting zoo animals.

Next Week...

We will be looking at some of the Charlie and Lola stories and also doing lots of activities about Autumn, starting with an Autumn walk on Monday morning – please make sure your child has a coat and suitable footwear on that day.

Tapestry

You will have received, or soon be receiving, a letter asking for your email details for the online learning journal we use called Tapestry. Please note that there is a maximum of two email addresses which can be linked to your child's account.

Dates to remember...

The school photographer will be taking individual photos on **Tuesday 16th October**. If your child does not attend nursery on a Tuesday you may bring them to the school hall on that day wearing their school uniform in order to have their photograph taken. **Please go to the main reception from 8.30am** – they will be expecting you.

Children who are in nursery on that day will have their photograph taken during the session. We won't have anything messy out until after the photographs!

Tuesday and Wednesday 16th and 17th October –

Parent Consultation Sessions. Thank you for returning your slips to request a parent consultation session. You should have received your appointment written on the bottom of the slip. These appointments will last about ten minutes and be an opportunity to discuss how your child has settled in and any concerns you have. However, please do speak to us before then if there is something you need to tell us about sooner – we are always willing to listen to your concerns and do what we can to help.

Reminders

Please name **all** of your child's belongings for nursery – we already have some new unnamed cardigans which haven't been claimed. If your child is going to be collected by anyone different please write it down in the communication book (Ladybirds Room) or the daily class list (Bumblebees Room). The communication books in both rooms can also be used to inform us of other matters, e.g., medical appointments.
