

# Nursery News 13

March 28th 2019

## Last week in Nursery...

We enjoyed the story of Jack and the Beanstalk. We planted our own beans and watched them start to grow – some of them have reached the castle already! We made collage beanstalks and printed bricks onto pictures of castles. We did lots of maths involving counting beans and jelly beans.

## This week...

We are learning about spring. We have been looking for signs that spring is here such as daffodils, buds on trees and plants, blossom, nests and bees. We have talked about baby animals which are born in spring and read some non-fiction books to find out information.

## Next week...

We will be reading the Easter story and talking about different ways that people celebrate Easter with their family and friends. We will be eating hot cross buns and making chocolate nests and doing lots of activities involving eggs!

## Dates to note:

**Friday 5<sup>th</sup> April:** Last day of term

**Tuesday 23<sup>rd</sup> April:** Children return to school after the Easter break.

**Wednesday 12<sup>th</sup> June:** Nursery trip to Church Farm, Stow Bardolph.

Please keep this date free if you would like to join us – **we will let you have further details soon.** We will be leaving school at about 9.30am and leaving Church Farm for the return journey at 2pm. Nursery children will have the option to travel on the bus. There will be some room for parents on the bus but you will also be welcome to go by car and meet us there.

## Home Learning

This week you could:

- Look for signs of spring when you are out and about, including some that we couldn't find near school, e.g., ducklings and lambs.

## Thank you!

- For bringing back various missing pieces of equipment. Please continue to do this if any more pieces appear at home – we understand that it happens and we are just grateful to have the pieces back again!
- For donating lots of lovely ingredients for our chocolate Easter nests!
