

Nursery News 3

October 14th 2018

Last Week in Nursery...

We read stories about Charlie and Lola and continued to talk about familiar experiences – these included bedtime, trying different food, starting school and looking after pets. We also went out on our Autumn walk, finding acorns and Autumn leaves. We did lots of Art activities with Autumn colours and materials and cut open a pumpkin to investigate the seeds inside. Please continue to help your child look for changes around them that show that Autumn is here.

This Week in Nursery...

We will be reading stories about Kipper the Dog and doing lots of related activities. We will be talking about birthdays, practising positional language with “Hide Me Kipper” and number with “Kipper’s Toybox”.

Accessing Nursery News

This edition of Nursery News will be given out in paper format via the children’s book bags as well as appearing on the school website (under: Children/nursery/nurserynewsletters). When a new newsletter comes out we put a link on the school facebook page. Please let us know if you are having difficulty accessing the nursery newsletters online.

Tapestry

Thank you for returning the letter with your email addresses so that we can link you to your child’s online learning journey. We are in the process of setting these up so that they will be ready to use after the half term holiday. Please let us have any outstanding letters by this Friday if possible. If your child attended Soham Windmills their Tapestry account has been transferred to us but we still need your email details to link you as these don’t get transferred to us.

Dates to remember...

Tuesday 16th October – school photographer taking individual photos. (If your child doesn’t attend nursery on a Tuesday you may bring them to main reception at 8.30am if you would like them to have their photo taken).

Tuesday and Wednesday 16th and 17th October – Parent Consultation Sessions

Mrs Ogilvie and Mrs Lancaster will both hold their parent consultations in the library. Please go to main reception, go through the main hall (or around it if being used), take the right fork at the bottom of the stairs, walk straight ahead and through one door at the end of this corridor – the library will be on your right. There will be chairs for you to sit and wait outside the library until we call for you.

Friday 19th October – Cake break.

Monday 22nd-Friday 26th October – School closed for half term holiday.

Monday 29th October – School closed for staff training.

Tuesday 30th October – Children return to school. **Please note, after half term we will be changing the routine when the children come in. Please encourage your child to self-register with their apple, hang up their things and then choose a book and come and sit on a mat in the carpet area. Once everyone has said goodbye we will start the morning with the register and a chat about the morning’s activities.**

Reminders

If your child is only staying for the morning they don’t need to bring a drink – we have milk and water available. If they are staying for lunch they will need to bring a bottle of something to drink to have with their lunch.
