

Templemoor Infant and Nursery School

20th July 2020

Dear Children.

I am so delighted to be your new teacher in September and I am really looking forward to getting to know you all! We know that your time in Year One was a lot shorter than it was supposed to be and that you will have missed time being with all your friends and teachers. We are all excited about being back together in school again!

I know that you are really going to enjoy being in Year Two. We are going to have so much fun learning together. I just wanted to tell you a little bit about what it will be like in Year Two.

In September we will spend lots of time being with our friends and getting used to a few new routines. We will spend lots of time learning outdoors and exercising. We will have two playtimes (one in the morning and the afternoon) as well as a long, lunchtime play!

We will be sharing many wonderful stories and re-reading some well-known traditional tales (I'll be reading two of my favourite stories for you to watch over the next couple of weeks; you'll be able to find them on the school's website). We will continue to do daily phonics lessons, writing and Maths as well as some exciting, creative artwork!

I hope that you have a fantastic summer holiday with your family and that you have a good rest, so you are full of energy for when we come back to school!

During the summer I am looking forward to spending lots of time with my family. I am also hoping to go camping for a few days and reading lots of books in the sunshine (I hope).

I'm very much looking forward to seeing you in September.

Take care and have a safe and happy holiday.

Mrs Wynne
