

Templemoor Infant and Nursery School

20th July 2020

Dear Children.

I am so excited to welcome you into Year Two. We are going to have a really wonderful time!

I'm sure it feels very strange for you all to be thinking about coming into Year Two because your time in Year One was a lot shorter than it was supposed to be. All of the teachers know that you haven't been in school for all of Year One so we will help you with your work and make it lots of fun. We are even going to have an extra play time - in the morning and in the afternoon!

We will spend lots of time getting to know our friends again and getting used to our new routines. We are going to be doing 'We are Adventurers' in the Autumn term so that's something to really look forward to'. We will also be working with Mr Bates from PE and Sports Hub. I'm excited about doing the Templemoor mile again! I'll be looking for some children to be on my Rights Respecting Team in September so have a think over the Summer holidays if you would like to be involved. I think we'll have lots to do because I've not had a Rights Respecting Meeting for ages!

It's going to be exciting in September because you are going to be sitting in pairs in your classrooms, on tables, facing the front. It would really help us if you can get your own pencil case to bring in and keep in school, with your own writing pencils, coloured pencils, rubber and sharpener. I'll look forward to seeing how organised we can all be!

I hope that you have a fantastic summer holiday with your family and that we have some sunny weather!

During the summer I am looking forward to having a nice rest and spending lots of time with my children. I've put a photo on so you can see what they look like! I am also hoping to go camping for a few days and go on lots of lovely walks and bike rides. I'll have to go shopping to get myself a new pencil case too!

Keep reading, listening to stories and washing those hands!

Take care,

Best wishes,

Mrs Brown

Deputy Headteacher
