

Templemoor Infant and Nursery School

20th July 2020

Dear Children.

Welcome to Year 2! I'm really looking forward to seeing you in September and I'm excited about spending time getting to know you.

I'm sure you have lots of questions that you'd like to ask about Year 2 and what school will be like when you return to school in September. I know that the time spent in Year 1 was sadly much shorter than it should've been and that you have missed spending time with your friends and teachers – we've missed you all too!

I want to help you prepare for your return to Templemoor so that you feel happy and excited about starting a new adventure, in your new class, on your return to school. I've included some examples of the types of things you can expect to be doing in your new class.

In Year 2, we'll be spending lots of time getting to know our friends again and learning some new routines to keep us healthy, happy and safe. We'll be spending time playing, learning and exercising outside; we've even planned an extra playtime for you and your friends to enjoy in our beautiful outdoor space (as well as a long, lunchtime play!). We'll be sharing many wonderful stories and re-reading some well-known traditional tales (I'll be reading two of my favourite stories for you to watch over the next couple of weeks which you'll be able to find on the school's website). Finally, we'll be continuing to do daily phonics lessons, writing and Maths as well as exploring some exciting, creative artwork (which I know you'll really enjoy).

I hope that you have a wonderful summer holiday with your family - I've got my fingers crossed for some lovely, sunny weather!

Looking forward to September.

Take care,

Mrs Campbell (Class 1 Teacher)
