English: Have a look at the sentences below from **The Big Blue Whale**. They use **similes** to paint a vivid picture for the reader about the blue whale. You can find out more about similes here: <https://www.bbc.co.uk/bitesize/topics/zmfc7ty/articles/zrrhpg8> and some examples here: <https://examples.yourdictionary.com/simile-examples-for-kids.html>

Reach out and touch the blue whales skin. It's springy and smooth like a hard-boiled egg, and as slippery as wet soap.

Look into its eye. It's as big as a teacup and as dark as the deep sea.

When it breathes out, it makes a great misty puff, as high as a house.

Now try and write some similes to describe some (or all!) of the animals in the pictures below. For example: Look up at the giraffe's neck which is as long as a firefighter's ladder.

Maths: We are using the White Rose maths resources - the worksheets to accompany the videos can be found on the KS1 Daily planning page. The links to the videos are below for each year group.
