

Hi KS1!

This week we are looking at the **ew** grapheme. This **grapheme** (spelling) can make 2 **phonemes** (sounds) - an **oo** sound like in **flew** and a **yoo** sound like in **pew**. This will be new learning for Year 1 and a good revision opportunity for Year 2s.

First have a look at the video below:

Now you can use the activities in the pack to help you practise reading and writing words with **ew** in them. See if you can spot **ew** words in the books you are reading too.

If you fancy trying something trickier, work through the **Sentence Doctor powerpoint** which is with the phonics planning on the website.

Be a phonics hero this week!
