

My name is Tamsyn Hannah and I have two boys accessing education provision based at the school. Both boys attended the nursery from ~ 1 year old, with the youngest currently attending the red room setting and the eldest now at school in Year 1.

I have very fond memories of my own primary school education (at Trewidland School, another school within SMART) and am committed to doing the best that I can as a governor to ensure that all children find school a positive and enjoyable experience and are able to develop as effective learners in a safe, caring and well structured environment.

I have worked as an accountant for over 15 years, initially in practice but more recently in industry, and so I am also able to bring financial skills and experience to the local governing committee.
