

Marking - what's it all about?

Why do we mark your work?

We mark your work to let you know how well you've met the Learning Objective for that lesson.
We like to give you feedback on what you have done well and/or what needs to be improved.

Marking your work helps us to see what you need to learn next.

We might show you what you can do to improve your work next time.

We may talk to you about the work that you've done or we might write a comment.

This means delighted and excited about your work!

Your teacher may be 'Tickled Pink' by something you've done.

Your teacher will let you know this by highlighting it with a pink pen.

Your teacher may find something you need to improve.
