

My name is Becky Hosken and I have been a Governor at Dobwalls School since 2017 joining as we became part of the South East Cornwall Multi Academy Regional Trust (SMART).

Being educated and now working locally I am passionate about supporting the community and as a Governor I am able to bring my skills and knowledge as a Human Resources Manager to the Local Governing Committee particularly with regard to supporting the schools strategic approach to management and long term planning.

This is a hugely exciting time for the school and I am privileged to be part of the wonderful team who make Dobwalls school a great place for students, staff and the wider community.
