

Explorers @ St George's

It's been a busy week in Nursery; the children have enjoyed making porridge and talking about the ingredients and changes that they observed as they cooked. It's great that so many children were happy to eat the porridge with their choice of a fruit, syrup or simple sugar topping - well done everyone!

Next steps

In the run up to half term we will continue our Goldilocks theme with focus on breakfast and ask the question 'If Goldilocks ate their porridge, what could the bears have instead?' The children will have fun creating different versions of the story with their new food ideas and discover which foods are normally eaten for breakfast, which are meals and which are puddings or treats. They will be making toast and spreading toppings to eat at snack time and have the chance to taste grapefruit and tomato juice.

*If you have allergy concerns we may be unaware of please let Miss Gander or Mrs Brace know.

Ideas for home

Why not enjoy some teddy bear fun at breakfast. It's easy to make a bear face with banana and blueberries on slice of toast or be more adventurous and create a bear with fruit and scotch pancakes!

We'd love to see your creations, email a photo to explorers@northamfederation.devon.sch.uk

Forest sessions

Weather permitting; we hope to begin our weekly forest sessions again after half term. Forest sessions are planned to run on one morning a week organised on a rolling basis – dates to follow.

Advanced warning! Your child will need to wear welly boots and full waterproofs (an all in one suit, or trousers and jacket) – they will get very muddy!

Parents meetings

Parents of younger children (born between September 2015 and March 2016) are invited to meet with Miss Gander to discuss their child's learning and development during the week after half term. If you would like a meeting please sign the appointment clipboard in Nursery.

Half Term

Nursery will be closed between Monday 18th and Friday 22nd February. We re-open on Monday 25th February – Have a great half term!

Many thanks for your continued support
Miss Gander, Mrs Brace and the Nursery Team.
