

# Reception Peek @ the Week

## This week...

We have set up the stage in Butterflies this week so that the children can practise being on stage before think about our Nativity performance. It is clear we have lots of budding actors, singers and dancers so we will extend this next week to include a puppet theatre and an outdoor stage.

If you have returned the slip to say what your child would like to be in the play then they will already know their part. If you haven't returned the slip, we will allocate parts according to the costumes we have in school. If there are any boys who would like to play the part of Joseph, please let us know.

## Maths...

We have been measuring this week in Maths. The children have been challenged to find out who can jump the furthest, whose paper plane can fly the furthest and to make a crown to fit their head. They have also come up with some amazing ideas about how to measure a tree.

## Snack...

The children need to bring a snack and water bottle to school every day. Their snack should consist of fresh fruit or vegetables and perhaps a carbohydrate such as bread sticks, plain crackers or plain rice cakes. We are trying hard to encourage the children to make healthy choices so please support us with this by avoiding products with high levels of salt or sugar.

## Letters and Sounds...

Our new sounds this week are **y**, **z**, **qu** and our new Tricky words are **he** and **she**.

## Useful dates...

Friday 30th November—Dragonflies in the Wilderness

Friday 23rd November and Friday 7th December —Butterflies in the Wilderness

Wednesday 5th December—Reception Parents Evenings (letter to follow)

Monday 10th December 2.30pm—Reception Nativity (Butterflies Parents invited)

Tuesday 11th December 9.30am —Reception Nativity (Dragonflies parents invited)

Wednesday 12th December—St George's Christmas dinner

We hope you have a lovely weekend, The Reception Team
