

Reception Peek @ the Week

This week...

When we came back to school on Tuesday we were amazed to see how much our caterpillars had grown. During this week the caterpillars have made their way up to the top of the pot, attaching themselves to the lid in a 'j' shapes. and begun to form chrysalides. Once all of the caterpillars have formed into chrysalides we will move them to the butterfly habitat ready and wait for them to emerge. The children have already learnt so much from observing the caterpillars; they are eager to see the changes everyday when they come to school and we have noticed lots of talk amongst the children about their learning, it's lovely to hear them using all the new language they have been taught and to see them so enthusiastic about their learning.

Forest School...

Next week the Butterflies will be in the Wilderness, please remember to send your child with Forest School clothes next Friday.

Lost property...

Benjamin lost his school trousers and t-shirt following the Forest School session last week, the items are clearly labelled with his name, so please could all Butterflies' parents check their child's clothes.

Calling all parents...

Just a reminder, if you are looking for support, advice or ideas on any aspect of child behaviour there will be a parent afternoon where you will have the chance to chat with other parents and staff about concerns. This is a chance to work with other parents, to share experiences and to support each other to find solutions in a safe, relaxed environment. Please speak to Mrs Trask or Miss Smyth if you would be interested in joining.

Reading Super Stars...

Georgie, Alfie, Albie, Mya, Esme, Olivia, Edie, Harry, Heidi, Lexie, Lola, Jamie, Benjamin, Lacey, Emily, Emmy, Molly, Harvey, Oliver, Aurora, Tyler, Aubree M

Have a wonderful weekend,

The Reception Team
