

# Reception Peek @ the Week

## This week...

On Thursday we had a visit from Asda Man who brought in a variety of fruit and vegetables for the children to try. We were really proud of the children for how willing they were to try new things. A big thank you to Asda Man, Peter Wilcox, from Asda Bideford.

## Letters and Sounds...

The children have been writing sentences this week, learning about leaving spaces between words and using their segmenting skills to hear all of the sounds in the words they are writing.

## Parents' Meetings...

You should have received your appointment time for Parents' Meeting on Wednesday 5th December. If you have not made an appointment please speak to your child's class teacher.

## Our First Nativity...

The children have been practising hard and are excited to perform their play for you on 10th and 11th December. All of the children will be performing on both days but we ask that you only attend one performance as our school hall is not big enough to accommodate the parents of all the Reception children in one go. We also ask that, if possible, you do not bring younger children unless they are able to sit quietly—we really want you to be able to hear and enjoy seeing your Reception child take centre stage.
