

# The Northam Newsletter

The Northam Schools' Federation - St George's C of E Infant and Nursery & St Margaret's C of E Junior School

FRIDAY 27TH SEPTEMBER 2019

Dear Parents,

Many of you will have joined within our Harvest Festival service today when we will have given thanks for our plentiful supply of food and water. We will also have been thinking of all those people who are living locally and are in need of nourishment and shelter. Our new vision statement states that we are all aspiring to support each other: your kind donations in support of the Harbour charity are an example of this aim.

On the reverse of this newsletter please find an update relating to school attendance. I hope that the update is of interest and use. An initial review of pupils' attendance since the start of term will take place next week. Should you have any queries relating to attendance then please contact the school office.

Finally, a reminder that when inside either school building, all mobile phones are kept in your bag or pocket in adherence with our safeguarding procedures. Your support in this is appreciated.

Enjoy your week-end.

Mr. Williams (Headteacher)

### **BREAKFAST CLUB**

When dropping your child off at St. George's in the morning could you please allow the crocodile of children walking from Breakfast Club to St. Margaret's to walk up the path as one group so that the children do not get separated from the adults escorting them. Thank you.

### **FRUIT BREAK**

Please could fruit sent in for fruit break be placed in a container separate to the child's lunch-box as these are stored in a different place which is not easy to access at break-time.

### **FLU IMMUNISATIONS**

We have been told by Virgincare that the last day to register for flu immunisations for your child is Sunday 29th September. Please see the link below:
