

Reception Peek @ the Week

This week...

The children have had their first opportunity to use the Chromebooks as part of their learning in Computing. They each have their own log in to use and have had a go at creating their own avatar on Purple Mash.

Letters and Sounds...

Our new sounds this week are **j, v, w, x**. Please keep practising these sounds with your child. We have noticed that many of the children are not yet recognising all of the tricky words (**l, to, go, no, the, into**), so please can you practise these too as we will be moving on to the new Phase 3 tricky words next week.

Maths...

We have been doing lots more counting this week, as well as putting numbers in the correct order and talking about which number is bigger or smaller by building towers and looking at which is taller or shorter.

Bikeability...

Mrs Nicholls has arranged for the children in Reception to do a course of Bikeability Balance, this will help the children develop control and coordination through riding a balance bike. The sessions take place over a week, during school time and there is no charge for the sessions. More details will follow next term but we need the consent forms returned in order to book the places. Please return the form if you would like your child to take part.

Useful dates...

Friday 16th and 30th November—Dragonflies in the Wilderness

Friday 23rd November and Friday 7th December —Butterflies in the Wilderness

Wednesday 5th December—Reception Parents Evenings (letter to follow)

Monday 10th December 2.30pm—Reception Nativity (Butterflies Parents invited)

Tuesday 11th December 9.30am —Reception Nativity (Dragonflies parents invited)

Wednesday 12th December—St George's Christmas dinner

We hope you have a lovely weekend, The Reception Team
