

Reception Peek @ the Week

This week...

What a busy week we've had! We started off the week talking lots about Spring and the signs of Spring that the children had seen over the weekend. We then went on to talk about Easter and the celebration of new life at this time of year. The children have written about Spring and been busy using their creative skills to make Easter and Spring related crafts. We had a lovely time on Wednesday making chocolate nests and planting seeds. We ended the week by enjoying our class treat of a dance in the hall and a visit

Forest School...

Forest School will continue after the holidays with Dragonflies going out on Friday 26th April and Butterflies going out on Friday 3rd May. If the weather is good, please make sure you provide your child with a sunhat as part of their Forest School kit. They will still need to have long trousers and long sleeves to protect them from scratches and stings.

Holiday home learning...

We have talked about the different ways people celebrate Easter; it would be great if you could take some photos of your family's Easter celebrations for the children to share and talk about when they come back to school. You are welcome to email these to Mrs Trask or Miss Smyth if you would prefer not to print them out.
