

Reception Peek @ the Week

This week...

We have been celebrating our differences. We have read stories and talked about how we are all different and encouraging the children to see their differences as a positive thing.

Maths...

Our focus in Maths this week has been 2d shape. We have been looking at the features of shapes, including corners and edges. We have been on a shape hunt and spotted shapes around the school.

Letters and Sounds...

This week the children have been taught the sounds **h, e, u, r** and 'tricky' words **no** and **go**. Don't forget to come and learn more about Letters and Sounds and Early Reading on Tuesday 16th October at either 9.00am (in the Resources Room) or 2.45pm (in Puffins Room).

Individual photos...

Just a reminder that the photographers will be in school on Wednesday 17th October to take individual photos of the children which will be available for you to buy.

Harvest Festival...

On Thursday 18th October we will be walking up to St Margaret's Church for our Federation Harvest Festival. We need parent helpers to walk with us so if you think you can help please speak to Mrs Trask or Miss Smyth.

Flu Vaccinations...

If you have returned the consent form for your child to have the Flu vaccination in school, this will take place on Tuesday 16th October.

Outdoor Learning...

The Dragonflies had a fantastic afternoon outside today! Remember next week it's the Butterflies turn so please send your child with warm clothes, wellies and waterproofs to wear.

We hope you have a lovely weekend,

The Reception Team
