

As a busy and exciting year in Nursery draws to a close, it's a great time to reflect on the fantastic progress the children have made; the new skills they have learnt and the many friendships they have formed, we're very proud of them all!

A big thank-you goes to you, for the support and encouragement that you give to your children, and to the children, for the excitement and enthusiasm they bring to Nursery every day.

Next steps

We are planning to enjoy treats, lots of fun and some very messy activities for the last few days of term. Don't forget to dress your child in old clothes, sun-hats and shoes on Tuesday, Wednesday and Thursday – the mess may not wash out!

Thank-you to everyone who has donated materials for messy week – all much appreciated. Term ends on Friday 19th July at 12.00pm; our last session will be on Friday morning.

Fun at the Beach

It's fantastic that so many families are planning to join us for beach fun on Friday afternoon. We'll meet at 12.30pm(ish) **on the beach** to the left of the walkway over the Pebbleridge; you can park cars close by and use the Visitor Centre toilets for handwashing etc. After enjoying your picnics, there's time to play, socialize and have fun with your child and their friends. Don't forget to bring your buckets, spades and other beach paraphernalia!

Please remember that you are fully responsible for your child throughout our beach visit.

If the weather is against us, look out for a text in case we have to change plans or cancel.

If we cancel Nursery will be open as normal on Friday afternoon.

Older children

Please return your child's Learning Journey before the end of the week, don't forget to sign the comments slip!

Looking forwards

As the time to say goodbye to our older children draws closer the staff at Explorers would like to thank them for the happy memories they have created. It's been a privilege and pleasure to be a part of the first steps in each and every child's learning journey. Everyone at Explorers wishes our children continued happiness and success as they start school in September.

We look forward to welcoming back families who are continuing in Nursery with us next term. The new school year begins on Wednesday 4th September.

And finally

Miss Gander, Mrs Brace, Mrs Robinson and Mrs Jackson would like to wish all of our Explorers children and their families a safe and very happy summer holiday!
