

Reception Peek @ the Week

Beach Trip...

Thank you to everyone who has returned the slips for the family beach picnic. We are really pleased that so many of you can join us, we hope it will be a great afternoon and that the sun will keep shining for us.

We have been a few questions about the day so hopefully this will help:

We will all walk to the beach together so please do not bring your car to drive your child - the walk is part of the adventure! You are of course welcome to drive your car down earlier and leave it in the burrows carpark if you do not wish to walk back to school at the end of the day. Obviously there parking charges will apply.

You can only be responsible for your own child - if you cannot join us, your child will walk to and from the beach with staff but will be able to sit and picnic with their friends once there.

We will picnic near the slipway for those who may have family members meeting us at the beach.

The children will not be allowed in the sea during the trip as school staff are still ultimately responsible for the children's safety during the school day. But you may wish to stay at the beach later and go for a splash once the trip has finished.

Things to bring: a bucket and spade, suncream, a change of clothes and sensible shoes for the walk.

Forest School...

There will be no more Forest School sessions this year.

Dates for your diary...

9th July - Sept '19 Reception children visiting

10th July - New class information sent out

12th July - Transition morning in new classes

17th July - Reception family beach picnic

19th July - Last day of term

Reading Super Stars...

Albie, Calin, Gabriella, Lacey, Oliver,
Lexie, Molly, Jamie, Aurora, Amy,
Harvey

Well done, you have all read
every day this week.

Have a wonderful weekend, The Reception Team
