

Reception Peek @ the Week

This week...

Thank you to all of you who attended Parents' meetings this week, it was great to have time to talk to each of you about your child's progress and we hope you found the meetings useful. There will be another opportunity to meet with us at the end of the spring term, but if there are things that arise before then please make sure you come and speak to us, we are always happy to meet for a chat after school. We are also happy for you to email us on the following email addresses:

ltrask@northamfederation.devon.sch.uk

csmyth@northamfederation.devon.sch.uk

Reading...

While we are not introducing any new sounds in the run up to Christmas we would still really like your children to keep practising their sounds and tricky words as well as reading if they have been given reading books.

Outdoor Learning...

This week was the last session in The Wilderness this term. We will let you know when the sessions will start again after the Christmas holidays.

Our First Nativity...

The children have been busy practising their play and were very excited to try out their costumes yesterday. This morning they performed for the other children in St George's so now we can't wait to show you all of their hard work!
