

Explorers @ St George's

Wow, the children's Elmers are amazing, a big thank-you to all who took part. We'll be celebrating and displaying your lovely pictures next week, look out for your child's certificate and sticker.

Next steps

As we count down to the end of term we hope to send our older children off with a smile and lots of happy memories. We have been talking to them about things they like to do at Nursery and have collected lots of requests. Some children have asked for favourite toys, games and stories while others are boldly suggesting new ideas. Over the next few days we hope to follow some of their requests!

Messy week

The last week of term is Messy week. The children will be paddling in jelly bath, walking in paint, covering themselves with shaving foam, exploring gloop, making drippy dough and creating mud pies!

The messy fun **won't** wash out so your child will need to wear an OLD SUNHAT, OLD CLOTHES and OLD SHOES to Nursery on Tuesday 15th, Wednesday 16th and Thursday 17th July.

* Car seats may need covering for the journey home!

Can you help?

We would welcome your help with collecting resources for messy week; anything you can provide would be most appreciated. Here are some ideas for things we will need –

- unwanted towels and plain coloured sheets
- shaving foam (unscented)
- liquid food colouring
- cornflour and fine salt
- hair conditioner (budget versions)
- washing-up liquid (budget versions) and anything else you think we may be able to use!

Rising 5's

The children enjoyed their time at Rising 5's last week. The next session will be on Tuesday 10th July - 1.30pm – 3.00pm.

School readiness tip of the week!
