

Reception Peek @ the Week

This week...

Thank you for all of the great Autumn things you have been able to collect, the children enjoyed exploring everything that was brought in. The sun was definitely shining on us on Wednesday when we went for our Welly Walk in the new Wilderness area. The children explored the area with great excitement and collected lots of interesting things.

Letters and Sounds...

This week the children have been taught the sounds **g, o, c** and **k**. Please practise these new sounds, as well as the sounds they already have—they should be able to use the letter cards to make lots of words now. The children have also learned 'tricky' words **the** and **to**. Please can Letters and Sounds packs come back into school every Friday so that we can add that week's new sounds.

Letters and Sounds explained...

You are invited to an informal workshop to learn all about Phonics and the best way to support your child at home. This will be a chance to chat with staff and other parents and to ask any questions you may have.

Outdoor Learning...

This term Reception will be spending Friday afternoons in the Wilderness. The classes will go out on alternate weeks so Dragonflies will have their first session on Friday 12th October and Butterflies will have their turn on Friday 19th October. Children will need to bring old clothes (long trousers and a long sleeved t-shirt) and wellies to take part. If the weather changes you will also need to provide waterproofs and warm layers including hats and gloves to make sure your child doesn't get too cold.

We hope you have a lovely weekend,

The Reception Team
