

Explorers @ St George's

Welcome back to a new term, we hope you all had a lovely Summer. It's great to see everyone looking refreshed and ready for an exciting new year at Nursery.

During this week we've been rekindling friendships and settling back into routines. There's been lots of talk about the holidays and the children have loved telling us about their adventures!

Over the next few days we will be extending a warm welcome to new families and children who are joining us at Explorers.

What's happening in Nursery?

As we settle into the new term the children's learning will be based around their holiday memories of the seaside. Over the next few days our focus book will be 'Toddle Waddle' by Julia Donaldson. The children will follow the characters as they journey to the beach and explore the idea of a seaside bandstand through role play. We will be singing 'Oh, I do like to be beside the seaside' and discovering lots of new words that describe the sounds instruments make, like 'ting-a-ling', 'hoot-toot' and 'jingle-jangle' etc.

A few start of term reminders

- Please ensure Nursery session fees, lunch club fees and dinner money are paid in advance.
- If your child needs medication such as an inhaler or epi-pen please talk to Nursery staff who will explain procedures.
- Toys should stay safely at home; we have plenty to play with in Nursery!
- No nuts please. Due to allergies we request there are NO nuts or peanut butter in lunchboxes or snacks.
- If your child is unwell they need to stay at home for 48 hours after the last bout of sickness or diarrhoea. Please ring the school to let us know they won't be coming in.

A plea!

Please make sure that your child's bag, lunch-box, coat and uniform are clearly named - especially their lovely new sweatshirts!

Autumn Stay and Play

Our popular 'Stay and Play' group meets on Friday mornings, between 9.00am to 11.00am in the Community Room. All babies to four year olds, parents, grand-parents and carers are more than welcome. There's no need to book, just drop in, makes friends, play and enjoy!

And finally

Miss Gander and Mrs Brace are always happy to answer questions, talk about your child's learning and development and celebrate their achievements; please don't hesitate to ask.

Many thanks for your support,
Miss Gander, Mrs Brace and Nursery Team
