

Active Bodies Breakfast

with Santa!

At Etwall Primary School.

On the 20th of December 2018, Active Bodies will be hosting breakfast with Santa at Etwall Primary School.

There will be a selection of breakfasts available- Continental, cereals, toast and the option of a Bacon or Sausage sandwich too.

On the morning, you will be welcomed by our Elves and shown to your breakfast table, once you have enjoyed your breakfast it will be time to go and visit **Santa!** He is excited to hear all of those Christmas wishes and will have Christmas treats for each child.

After your Santa visit parents are welcome to leave and Active Bodies will care for your children. If you cannot attend with your child, do not worry! Our Elves are on hand and will be happy to help care for your children. Once the children have seen Santa they will be cared for in the library.

Please tear off and return with payment to an **Active Bodies** member of staff, or the school office by the 14th December. Your tickets will then be issued. (There are a limited number of spaces available.)
