

Home learning for maths week commencing 28th September 2020

In order to make learning smoother in the classroom whilst trying to teach mixed year groups we have changed the order we are teaching some of the Whiterose Maths lessons to try and ensure that the year 1's and the year 2's are looking at the same area of learning each lesson. Therefore, please find below directions for the maths home learning to match our in class learning this week.

Please note, although some lessons are new learning for year 1 they may also be being used as a recap lesson for year 2 and so sometimes we may ask you to look at the year 1 videos for year 2. In class, where year 1 and year 2 are looking at the same video input we will then be developing the year 2's skills using numbers past 20.

Many thanks, KS1 team.

Monday

<https://whiterosemaths.com/homelearning/year-1/week-3/>

Whiterose, year 1, home learning, week 3 'Compare objects' video

Worksheet to match called 'Compare objects'

Problem solving worksheet called 'Comparing objects problem solving'

Tuesday

Year 1

<https://whiterosemaths.com/homelearning/year-1/week-3/>

Whiterose, year 1, home learning, week 3 'Introduce Symbols'

Worksheet to match called 'Yr 1 introduce greater than and less than symbols'

Year 2

<https://whiterosemaths.com/homelearning/year-2/week-3/>
