## Year 5/6 Student Acceptable Use Policy

All pupils must follow the rules in this policy when using school computers and the school VLE (Virtual Learning Environment - [eastprestonjunior.eschools.co.uk/login](http://eastprestonjunior.eschools.co.uk/login))

Pupils that do not follow these conditions may:

- **not** be allowed to access the computers at all or only use the computers if they are closely watched.

Teachers will show their pupils how to use the resources available through the schools network. School staff will regularly check the network to make sure that it is being used responsibly.

The school will not be responsible for any loss of data or work as a result of the system or pupil mistakes in using the system. The use of any information gathered via the network and the school Internet connection is at the student's own risk.

### Conditions of Use

Pupils will be expected to use the school network system for the purposes for which the school provides it. It is the personal responsibility of every student to take all reasonable steps to follow the conditions set out in this Policy. Students must also accept personal responsibility for reporting any misuse of the network to their teacher, Mr Lott or Mrs Lockyear.

- Unauthorised access to resources and work that belong to other "users".
- Pupil activity that would cause:
  - Damage or destruction of other users' work,
  - Go against the privacy of other users,
  - Deliberately waste time or resources on the school network.

8	I will ensure that if I think someone has learned my password then I will change it immediately and/or contact Mr Lott and/or Mrs Lockyear.
9	I will ensure that I log off after my network session has finished.
10	If I find an unattended machine logged on under other users username I will <b>not</b> continue using the machine – I will log off immediately.
11	I understand that I will not be allowed access to unauthorised chat rooms and should not attempt to gain access to them.
12	I am aware that e-mail is not guaranteed to be private. Messages supporting illegal activities will be reported to the authorities. Anonymous / unnamed messages are not permitted.
