PE and Sports Funding 13-14

PE funding	
Total number of Pupils on Roll	360
Lump Sum	£8,865
Amount of funding received per pupil	£1,275
Total amount Funding received	£9,275

*Based on pupils numbers in Jan 2013 Census

**This funding is allocated to school on October 1st 2013 and April 30th 2014.

Department for Education Guidance

"Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this."

Possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- supporting and engaging the least active children through new or additional Change4Life clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and holiday clubs
- pooling the additional funding with that of other local schools.

Overall PE Provision in School

As a school we place great value on the physical, social, emotional and health benefits of developing participation in sporting activity. We achieve this through:

 Chair of Governors: Mr Mike Ashworth

Curriculum	<p>Class teachers teach use the 'REAL PE' program to develop pupils Fundamental Movement Skills (FMS) – agility, balance and coordination. The sessions also foster a positive attitude to sport, provide regular opportunities for healthy competition and enhance essential life skills. Teaching staff have all received 2-3 Days of high quality CPD in PE this year lead by Phil Wylie of Create Development.</p> <p>Dance and gymnastics are also taught by class teachers either as part of REAL PE or discretely. Outdoor skills such as orienteering, climbing, caving and team activities are developed during residential visits in both Y4 and Y6.</p>	
Curriculum (teacher release time)	<p>KS1 In KS1 pupils further develop REAL PE during PE sessions.</p>	<p>KS2 We employ specialist coaches to teach in KS2 for one session per class per week. Learning focuses on the traditional 'games' such as football, cricket, hockey, netball, tennis, rugby etc. In addition pupils develop athletic skills and all round fitness.</p>
Competition	<p>Currently we attend a minimum of 12 festivals/ tournaments per year, which involves participation and competition alongside other local schools. Our competitions include matches against local schools (state and public) or half day events hosted usually at a Secondary School, where we perform against a range of other Bristol schools. These include cross country, 'games', gymnastics, tri golf among other sports.</p> <p>We annually take part in the 'Stages' dance festival.</p> <p>Most PE session include an element of healthy competition. In addition we hold an annual Sports Day where our house teams compete against one another.</p>	
School links	<p>We work with local schools to improve opportunities to participate in sports, via the Wesport (Area) website or through 'cluster events.</p> <p>Recently we have developed a strong link with RGS school, who are to host three annual sporting events for our pupils to attend every year in KS2. Such events will also include coaching by their Y10/11 sports leaders.</p>	
Outreach	<p>We seek the best possible provision in PE for our learners. This year our KS2 staff and pupils have received specialist PE teaching via the Bristol School of Gymnastics. We will continue to seek outreach support as and when required.</p>

After School Clubs	Currently we offer between 2 to 4 sporting activities per night after school for pupils to undertake. We have worked hard to ensure a range of sports are provided, at both our Worrall Road and Lower Redland Road site. Both external providers and school staff lead each club. We are constantly seeking views from parents and pupils on how to engage more pupils into sport.	
Pupil activities	<p>Junior Leaders We have 20 pupils in Y5 trained with the skills to lead sporting sessions for other children during lunchtimes. Currently our Junior leaders lead activities for Y3/4 for 3 lunchtimes per week, which are providing very popular.</p>	<p>Learning Champions We have a separate program to develop pupil self esteem and confidence using physical activity. The program works with pupils who are need inspiring or who participate less than the recommended amount in sporting activities.</p>
Active Travelling	In addition to PE we encourage our children to develop healthy and sustainable habitats in travelling to school. We hold a weekly active Wednesday to continually promote active travel. In addition, we have taken part in the Big Pedal fortnight (coming 2 nd in Bristol) and the 20 mph campaign. Our pupils in Y4 and Y6 are given the opportunity to take part in both Level 1 and 2 Bike Ability sessions. We have recently received £3k from Sustrans to improve our scooter and bike storage on site.	

School Improvement Plan for PE Summary

<p>To raise standards in PE through improved and consistent provision</p> <ul style="list-style-type: none"> To improve achievement and sport and physical education (PE) provision and by making best use of additional funding. To engage and extend semi-sporty children To motivate identified pupils that are reluctant in sport to take part in physical activity <p>Success criteria:</p> <ul style="list-style-type: none"> Lesson observations shows at least good teaching and learning (inc. cardiovascular element) Pupils make good progress in lessons Pupil enjoyment of PE
