

In **English** the children will produce holiday brochures linked to Italy. We will write stories and play scripts about Queen Boudicca. Finally we will write invitations and menus for a Roman Banquet. The children will have weekly SPAG sessions as well as learning the skill of dictation.

In **Maths** the children will benefit from a daily number session alongside their subject based maths lessons.

We will spend the term focusing on place value.

There will be a weekly times tables quiz.

In **Science** we will be learning about sound. We will be finding out what sound is and how it travels to our ears. We will also be using musical instruments and other objects to investigate pitch and volume.

In **P.E.** the children will make and play competitive games that build strength and stamina.

The children will learn new skills through tag rugby. Indoor PE will be gymnastics this term.

In **Art and Design** the children will make mosaics and jewellery. They will design and make Roman helmets and shields. There will also be the opportunity to make and taste Roman food.

In **Computing** we will be programming and debugging.

In **History** we will find out about the Roman Empire and its impact on Britain.

In **Geography** we will be comparing Britain with Italy by using maps and atlases.

Your RE this term is: What do Hindus believe that God is like? The children will be learning about the Hindu belief in one God and how this is explained through the use of many Gods. They will be exploring some of the stories about Hindu Gods and what these teach Hindus about the one God. The children will be learning how Hindus worship at home.

In **Music** we will learn a song all about the Romans as well as exploring instruments and music that the Romans would have enjoyed.
