SPORTS NEWS

Netball News
 On Thursday, the netball team played their final game of the netball season against St Mary's. A disappointing first two quarters saw us 6-0 down! But the team rallied and played some excellent netball to get the score back to 7-5 by the end of the 3rd quarter. Unfortunately, we left ourselves too much to do and ended up losing 8-5. Well done to Kamea, Jeneice, Izzy, Jaime, Tom, Dan, Molly and Safia on an excellent netball season.

OPEN THE BOOK

Thank you to our Open the Book Team, who told "The Great Parade" in whole school worship on Friday.

World Wildlife Fund (WWF) Earth Hour 2018
Saturday 24th March - Lights out at 8.30pm

The WWF's Earth Hour is the biggest movement to protect our planet. Hundreds of millions of people around the planet take part in WWF's Earth Hour every year. Last year around 9 million took part in the UK alone.

Millions choose to mark Earth Hour by going 'lights out' for 60 minutes at 8.30pm – a symbolic show of solidarity for the planet.

The world's biggest landmarks – like Sydney Opera House, the Eiffel Tower, Buckingham Palace, and Edinburgh Castle – switch off lights as a visual display of their commitment too.

Why not join in this weekend and mark the occasion with your children at home!

After Easter, Poppy in Year 5 will be helping to lead an assembly to raise awareness of this amazing global movement to call for greater action on climate change.

Y3M Class Worship

On Tuesday last week Class Y3M shared their Class Worship all about their topic this term, "Tremors!"

They shared their knowledge about how the Earth is made up of the 4 layers; The Crust, The Mantle, The Outer Core and The Inner Core. They then showed us how the Crust is made up of "tectonic plates" and all the ways they move around, causing earthquakes and volcanoes to form. They continued to share their learning about how volcanoes form and some of the parts of a volcano. Mount Dent made an appearance in the assembly and Alfie showed us where the Magma Chamber, the Crater and the Lava was.

The children have been learning about a great volcanic eruption in 79AD in the city of Pompeii, Italy. The great Mount Vesuvius impacted many lives at this time and Jahmira interviewed Pliny to find out from an eye-witness what really happened!

The children were able to link their topic to this term's value "Peace". They looked at charity work around the world and saw what a wonderful job Unicef do to support children and families who have, as a consequence of war or natural disasters, been left without shelter, food, clothing or even lost their families. The children also informed us how we can support charities by donating money, clothing or fundraising!

Well Done Year 3!

On Tuesday, the hockey team took part in a hockey tournament at Ribston Hall School. It was a quicksticks tournament and there were 14 schools taking part. We played in league A and we came 4th in that league. All members of the team really enjoyed themselves and we all became more confident at playing hockey.

Well played Jaime, Jacob, Lily, Ella Y, Ethan and Daniel.

Attendance

This week's class with the highest attendance is **Y3M** and they will be entered into the termly draw for prizes. Well done!

Sport Relief 2018

From 17th - 23rd March the Nation is supporting Sports Relief. Sports Relief is a wide ranging charity that supports more than 50,000 people in the UK with mental health problems, over 3.4 million people in Africa through maternal, neonatal and child health funding and over 900,000 people across Africa with anti-malarial drugs.

As a school, we want to do our bit so we are giving all of the pupils a challenge. Old Spot, the Active Gloucestershire mascot, is trying to get from the depths of Cornwall to the tip of Northern Scotland and back again. Over the next week or so, we want to see if all of the children in Years 1 - 6 can do their best to achieve their best distances on their daily mile. The teachers will be asking pupils to come up with innovative ways to travel around the track and on Friday (next Monday for Year 6) all of the classes will be given extra time to do the Daily Mile to help them in their efforts to raise money for Sport Relief.

You can support your child's efforts by helping them to raise money through sponsorship (forms were sent home on Friday 16th March). Please can all monies raised be returned to school no later than Thursday 29th March (the last day of term). If you want to get involved in Sports Relief in other ways or see what they do in more detail, then please do visit their website at <https://www.sportrelief.com/>. Until then, happy fundraising!
