

The screen will open to the calendar on the current month. The month can be changed to previous or forthcoming months by selecting either of the buttons at the bottom of the calendar.

To order meals simply click on the date that the meal is required. A new screen will appear showing you the menu for that particular day. You will need to confirm you wish to order this day by clicking the 'select meal' button.

When you have selected the meals that you want to order the screen will look like this - (Note that you do not have to order for a complete week and can select any days you wish - there is no minimum order).

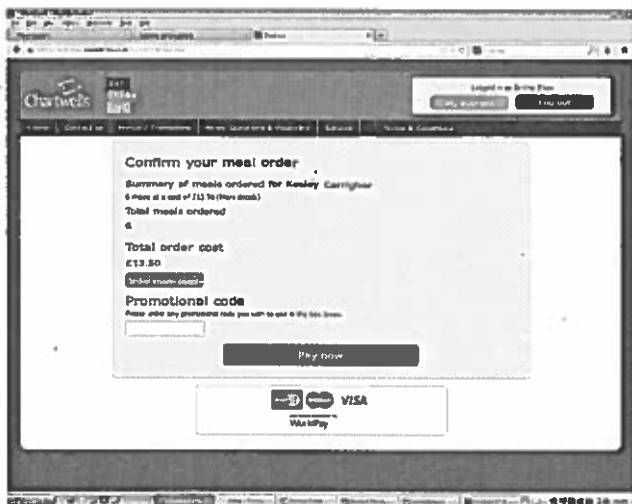

Once the meals are selected you will need to click on the 'Pay Now' button which is on the right hand side of your screen.

The order summary shows the total number of meals ordered and the amount you will need to make payment for. If you have any credit meals from cancellations you have made through the web site the amount will be deducted from your total payment.

You must proceed to the payment section for the selected meals to be reserved for your child or children.

The payment section is a secure site managed by WorldPay, and therefore we show images.
