Dear Parents/Carers

For those of you who will be returning next year we look forward to working with you again and for those of you who will be leaving Caverstede, we have enjoyed getting to know you and your children. On behalf of the staff and Governing Board of the Centre, we wish all of your children every success and happiness in their future.

My very best wishes to you all – have a lovely summer.

Debbie Hayes
Head Teacher

Last day of term

Thursday 20th July

We will be holding a small presentation in the classrooms of the children's Learning Journals. You are welcome to come along at either 11am or 2.30pm to see this and join in some farewell songs!

Please Help

Ofsted Parent View gives you an opportunity to let us know what you think about your child's school.

Thank you to those of you who have already signed up and completed the survey at home or in the café.

We would appreciate it if you could register on the website and add your thoughts.

When a school has their Ofsted inspection, they look at the comments left on Parent View which adds to the inspection report. It is also sometimes used by potential parents to see what current parents think of the school. It is quick to use!

**Please visit via this site;
www.parentview.ofsted.gov.uk**

There will also be the opportunity again to complete the survey in the café before the end of term with log-in details provided. Please keep a check on when we will be doing this.

**100%
Attendance!**

We will be awarding certificates to those children who have had 100% attendance over this academic year. These will be given out in the classrooms along with the Learning Journals on the last day of term.

Lost property

Before the last day of term, please remember to check for any lost property; clothes etc. left on your child's classroom peg, check the pigeonholes and anything else left in the classrooms.

Library books

If you have borrowed any library books over the year and still have them at home, could you please remember to bring them back in to nursery before the end of term.

Thank you.

Changes at Caverstede

Melanie Robinson, Centre Cook, is leaving Caverstede after 15 years hard work. Mel came to work at Caverstede in 2002 and over the years developed the catering provision into the wonderful offer that it is. Unfortunately due to budget cuts we can no longer afford to subsidise Lunch Club and so it will be closing at the end of the academic year. We all wish Mel all the best for the future.

Naomi Cumberland, current class teacher in the Ladybird class is returning to University to study. Luckily for us she will have two days available each week to work at Caverstede. So from September Naomi will be leading the Buzzy Bee class for two days each week.

We are also saying goodbye to Sandra Griffiths from the Butterfly class and Marian Butcher from Buzzy Bees. We wish them both the best for the future.

From September you may notice a change to the Buzzy Bee classroom. Over the summer the wall between the classroom and the Multi Purpose room is being removed to make it a larger room. The kitchen area is being changed into a children's bathroom, so there will be more toilets in the classroom.

As always some staff will be moving rooms in September. The teachers leading the rooms will be: Katy Coles and Naomi Cumberland in the Buzzy Bee classroom, Emily Wiseman in the Butterfly Classroom and Hannah Pilling in the Ladybird Classroom.

For added security, from September we will be locking the main entrance door during the day. The door will be unlocked 10 minutes before each session. If you wish to access the building at any other time please ring the door bell.

BookStart Treasure packs; As part of the Book Start programme, we will be giving out the packs to all 3 year olds at the end of term. Some children may have already received theirs last year if they returned to nursery for their second year in September last year.
