

This is our school.

Let peace and contentment dwell here,
Grant us each day the desire to do our best,
To grow mentally, morally and physically.

We shall respect our large, open space with love and
care.

Let us treat others as we would expect to be treated
ourselves.

Help us to recognise that everyone is equal, everyone
is different and everyone is welcome.

Help us to smile when we lose, as well as when we
win.

Help us to remember to stand up for what is right and
just,

Even if it means standing alone.

The School Council
