Thursday

Diary of a Pirate

Purple Prediction

The pirate writes, "A couple of us got together on the deck as the sun started to come out."

Tick the prediction that you agree with

- The pirate will probably have to repair the rigging again.
- The pirate won't have to repair the rigging again that day.

Explain why you think this.

I think the pirate will probably have to repair the rigging again because....

The pirate won't have to repair the rigging again because....

**Make sure you read the text to help you with
the orange ordering questions!**

Friday
