

## Writing

### Story Writing

Click on the link to see the picture

<https://www.pobble365.com/the-sunflower>

Scroll down to the 'Story Starter!' and finish the story.

## Design and Technology

- Using recycled materials from around your home can you create a model of a sunflower?

Who can make the tallest sunflower?

## Science

Over the week, make a list of any plants you eat during the week.

Remember these include: salads, fruits and vegetables.

Do you eat your 5 a day?

## Card Calculations

Using the cards below, think of as many calculations that you can using any of the four operations + - x or ÷

For example:  $4+3=7$      $10+5=15$

## *Year 2 Learning jigsaw*

17/4

Here are some optional activities to support you and your child whilst he/she is not at school. Pick and choose which activities work best for you and remember to have fun!
